Descender IPA

American India Pale Ale

Descender IPA is a blend of a big, true NW IPA mixed with some West Coast style. We balance the bitterness with the aromatics of the hops to make this a downright enjoyable IPA.

Pine and creamy citrus notes dominate the nose and combine well with subtle tropical/peach notes. A light bodied mouthfeel and playful bitterness allow bright citrus flavors to shine through. A slight back end bitterness reminds you that this is a classic NW style IPA.
